NOTICE

In reference to the decision taken in the 180th CMD meeting held on 25th March, 2025, it has been decided that sampling of coal dispatched to Consumers who have not opted for Third Party Sampling (including e-auction and NRS Sector) shall be carried out with effect from 1st October, 2025, as per the approved modalities finalized in the CIL CFD meeting held on 15th May, 2025.

Accordingly, all concerned are hereby informed that coal sampling will be undertaken for all dispatches to Consumers who have not opted for Third Party Sampling, with effect from 1st October 2025, based on the approved modalities.

This is issued for information and necessary action by all the concerned.

General Manager (QC)
WCL Hq, Nagpur

Encl: As Above.

- iv) The cost of the sampling & analysis of coal shall be borne by the Coal Companies under this arrangement.
- v) In the event, Third Party Sampling has been opted by the purchaser and the sampling/analysis could not be done due to any reason whatsoever, the relevant terms and conditions of extant FSA shall be applicable.
- vi) In case the purchaser(s) are not satisfied with the above arrangement, they may opt for third party sampling.
- vii) The following paragraph may be added at the end of clause 11.8.2 of CIL E-auction Scheme 2022 (effective from 01.12.2024) and clause 9.1.2 (Determination of coal quality) of FSA for linkage auction:

"In the event third party sampling has not been opted by the consumer, the coal company shall collect the samples of coal dispatched following the approved procedures in presence of Customer representative (if available) and conduct the analysis in the company's lab. The results of the analysis so conducted would be binding on both the purchaser and the seller. The initial billing will be done on declared grade and regular debit/credit note would be issued to the extent of difference in the base price of declared grade and analyzed grade of coal so obtained. However, failure of the purchaser to be present will not invalidate or be a ground for disputing the sampling and analysis carried out by the seller."

Unquote

The above will be applicable w.e.f. 1st October 2025. Further, regarding Point no. (vii) of the above SOP, amendments in relevant schemes will be communicated by CIL in due course.

This is for your kind perusal and further necessary action at your end.

Yours Sincerely,

Tarak S. Roy
